

Ascensia® BREEZE® Blood Glucose Monitoring System

Effortless Testing Time After Time

- Free Meters are available through AUCH.
- Easy testing. Single-function buttons are easy-to-use and understand
- No more fumbling with individual test strips. One easy-to-load Ascensia® AUTODISC® includes 10 individual test strips with no coding required
- Comfortable and convenient shape. Fits perfectly in the palm of your hand and is stable for table-top testing too
- Get accurate results quickly. Automatic coding and under-fill detection
- You need just a tiny blood drop because the test strip automatically draws in the right amount - that's called "Sip-in Sampling"®
- Saves information for up to 100 tests
- Download the meter's information to your computer using Ascensia® WINGLUCOFACTS® Diabetes Management Software for flexible diabetes data management
- Now all of our Ascensia® blood glucose meters have been cleared for multiple site testing. That means more choice and flexibility about where you test. Finger, forearm, palm, abdomen or thigh -- it's up to you. However, be sure to talk to your healthcare professional first to ensure that alternate site testing is right for you.
